Web Design UX/UI Design Graphic Design Front End Development

# ROSE MICHAEL

PHILLIPS MORMINO

## Objective

I am seeking a full-time job with an organization needing a fresh perspective & with opportunities for further creative education and training.

## Summary

Years of experience in the fast-paced & collaborative field of theatre production have honed my design thinking process.

## Experience

### (June 2022-2023) *Self-Employed*

Update & vectorize existing logos, basic brand kit including new colors & typefaces, modernize website, establish an online presence

### (Sept 2020-Oct 2021) *Senior Patient Care Coordinator at Raleigh Endocrine Associates*

Provide respectful and compassionate customer service to patients, coordinate appointments and procedures, digitize and file medical records, train new hires, verify insurance & coverage

## Education

**MAY 2024** IT: Advanced Web Designer Certificate

IT: Front End Developer Certificate

IT: Web Development Basics Certificate

**MAY 2022** IT: Web Designer Certificate

Wake Technical Community College, NC

GPA: 4.0
